PETITION

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

This request is to correct upload errors that happened on Friday January 02, 2009 when the USPTO website experienced technical difficulties. All uploads with a Mail Room Date of 01-02-2009 did not upload on that Friday evening at around 8 PM EST. After conversing with a technical specialist, he confirmed that the website was experiencing technical problems and he told me to upload later. I tried again after three hours and all uploads for the RCE were then successful including credit card payment. However, the next day my unsuccessful uploads did show up on the Image File Wrapper causing duplicates. Therefore, for clarity in the File and to remove duplicates, I request the deletion of all 9 uploads with a **Mail Room Date of 01-02-2009 and this Petition with a Mail Room Date of 01-05-2009 as well.**
